

January 10, 2024

Dr. Kevin Klauer, DO, EJD, FACEP, FACOEP  
Chief Executive Officer  
American Health Information Management Association (AHIMA)  
233 N. Michigan Avenue, 21st Floor  
Chicago, IL 60601-5809

Dear Dr. Klauer,

The Electronic Health Record (EHR) Association extends our warmest congratulations on your appointment as the Chief Executive Officer of the American Health Information Management Association (AHIMA) in recognition of your history of dedication to clinicians, patients, and the broader healthcare industry.

The EHR Association shares AHIMA’s vision of leveraging health information technology to improve patient care quality, safety, and efficiency. As a national trade association, the EHR Association’s 29 member companies serve the vast majority of hospital, post-acute, specialty-specific, and ambulatory healthcare providers using EHRs and other health IT across the United States. We are enthusiastic about the opportunities for collaboration and partnership under your leadership.

On behalf of the health IT community we represent, we applaud the significance of your role as a visionary leader, particularly at a time when the healthcare sector is undergoing rapid transformation. Your commitment to strategic leadership and collaboration on national programs is pivotal in preparing health professionals to excel in a dynamically evolving landscape. Furthermore, your influence in health policy will benefit AHIMA's continued role as a key contributor in shaping the future of the health information industry.

We look forward to a productive and collaborative relationship with AHIMA under your leadership and wish you immense success in your new role.

Sincerely,

Stephanie Jamison  
Chair, EHR Association  
Greenway Health

William J. Hayes, M.D., M.B.A.  
Vice Chair, EHR Association  
CPSI

*Established in 2004, the Electronic Health Record (EHR) Association is comprised of 29 companies that supply the vast majority of EHRs to physicians' practices and hospitals across the United States. The EHR Association operates on the premise that the rapid, widespread adoption of EHRs will help improve the quality of patient care as well as the productivity and sustainability of the healthcare system as a key enabler of healthcare transformation. The EHR Association and its members are committed to supporting safe healthcare delivery, fostering continued innovation, and operating with high integrity in the market for our users and their patients and families. The EHR Association is a partner of HIMSS. For more information, visit [www.ehra.org](http://www.ehra.org).*
